

QUALITY POLICY

HDC is committed in establishing higher standards of living through intelligent, innovative and sustainable developments in the Maldives, focusing on Hulhumalé, Thilfaushi and Gulhifalhu. Our continuous aim is to outperform ourselves in terms of quality of service and to be a leader in redefining quality living by working towards in positioning Hulhumalé as the nation's first smart and sustainable city, Thilafushi as a light industrial hub and Gulhifalhu as Port city.

HDC is committed to fostering a quality culture instrumental in developing and providing products and services with zero defects that are trusted and preferred by both individuals and families and deliver on our promise to enable quality living.

The assurance to quality is demonstrated by delivering the goals set forth in HDC's strategic plans within the prescribed timelines and the continuous incorporation of customer feedbacks for process enhancements. HDC ensures its employees are equipped with the applicable skills, experience, knowledge and training to deliver service excellence exceeding or meeting our customer requirements. Delivering quality services and products is an integral responsibility of every employee of HDC and reiterates its commitment to fostering a quality culture in the corporation.

To achieve this result, the corporation has adopted a policy of operating a coordinated Quality Management System that addresses customer requirements, applicable regulatory requirements and the requirements of the ISO 9001:2015 standard

The corporation is aware of its responsibilities to provide resources for the control of the Quality management System including commitment to take proactive, continual actions to deliver improved products and services consistent with the changing customer needs.
